LAMINATE COLLECTION

With striking new colours and finish, JELD-WEN are pleased to introduce 7 new laminate designs which are perfect for today's commercial projects.

Be inspired with JELD-WEN's range of Laminate door finishes, available as part of the interior doorset range and complete with a 10 year manufacturing guarantee. With 7 contemporary finishes to choose from, your project will be spoilt for choice.

Our laminate range are rigorously tested working with specialist third parties to ensure the highest standards and are dual certified for fire, smoke and security performance.

The laminate collection allows for a more consistent design scheme, especially for larger projects where multiple doors are required. In addition, the new finishes are also 30 and 60 minute fire rated, ideal for projects where fire performance is required such as multi occupancy housing and educational facilities.

WHY CHOOSE A LAMINATE FINISH?

- ✓ Water resistant
- ✓ Impact and scratch resistant
- ✓ Easy to clean
- ✓ Consistent design
- ✓ Fully finished – no painting or staining on site
- ✓ Hygienic surface
- ✓ Colour matched edge banding
